Terms and Conditions of Membership

Introduction

These Terms & Conditions apply to your use of services provided by the Night Time Industries Association (NTIA), including our website, membership, events, campaigns, communications, and related content (together referred to as “NTIA Services”). By accessing or engaging with any aspect of the NTIA, you are agreeing to be bound by these terms.

The NTIA is a not-for-profit organisation dedicated to supporting the people and businesses that power the UK’s night-time economy. We work to create a safer, fairer, and more sustainable sector through policy advocacy, strategic partnerships, training, and accreditation.

If you have any questions or need further clarification, feel free to contact us at: contact@ntia.co.uk.

The Night Time Industries Association operates through two distinct but closely aligned legal entities:

- **Night Time Industries Association Ltd** (Company No. 09418544), a not for profit company limited by guarantee. This entity is responsible for the NTIA’s core activities, including industry representation, events, and partnerships that directly support these functions. Any surplus income is reinvested into advancing the sector.
- **Night Time Industries Alliance CIC** (Company No. 13070504), a registered Community Interest Company (CIC). This arm delivers public benefit programmes aligned with the NTIA’s wider social purpose. It leads on membership services, training and safeguarding initiatives, research, the Night Safe Spaces Accreditation scheme, and associated partnerships.

Although both entities operate under the shared NTIA identity and collaborate to support the night time economy, they remain legally and financially independent.

Depending on your engagement with us, whether as a member, donor, participant, or partner, you may be contracting with either NTIA Ltd or NTIA CIC.

We will always make clear which entity is involved in any agreement, particularly in relation to invoicing, VAT, charitable subscriptions, or publicly funded programmes.

If you have any questions about our organisational structure or your relationship with either entity, please contact us at contact@ntia.co.uk.

1. Eligibility for Membership

To be eligible for NTIA membership, applicants must:

1. Be a limited company, LLP, sole trader, or public body involved in or supporting the night-time economy;
2. Be actively trading (not dormant or shell entities);
3. Be approved for membership by NTIA at its sole discretion; and
4. Comply with the UK General Data Protection Regulation (UK GDPR) and the Data Protection Act 2018, and enter into a Data Processing Agreement (DPA) with NTIA where required; and
5. Agree to abide by these Terms and Conditions, and all applicable NTIA policies and procedures as published on the NTIA website.

2. New Members

A completed Application Form and payment of the applicable Annual or Monthly Subscription are required to activate membership.

NTIA may, at its discretion, offer charitable subscription rates to qualifying applicants whose work aligns with NTIA's public interest objectives, such as promoting industry standards, improving public safety, or supporting underrepresented groups within the night-time economy.

3. Contract Term

Membership is based on a rolling 12-month subscription and remains active until terminated in accordance with Clause 5.

Where one Member acquires another but retains separate legal entities, both must hold individual memberships. If a Member merges into another, any Annual Subscription already paid is non-refundable.

These Terms and Conditions form the basis of the Contract between NTIA and the Member, overriding any other terms proposed by the Member or Applicant.

4. Membership Renewal

NTIA will issue a renewal reminder no less than 14 days before the renewal date. Members are responsible for ensuring their contact details remain up to date.

Renewal invoices will be issued during the month preceding the new Membership Year.

Charitable subscription rates, where granted, will be reviewed annually and remain at NTIA's discretion.

5. Termination of Membership

If a member does not wish to renew their Membership, written notice must be received by NTIA prior to the renewal date of the Membership Year.

If no notice is received by the renewal date, the Membership will automatically renew and the full Annual Subscription for the new Membership Year will become payable.

6. Annual Subscription

Members must pay an Annual or Monthly Subscription based on their membership category. No additional charges shall be incurred without prior written consent.

NTIA sets Subscription rates annually and will inform Members ahead of renewal.

Invoices must be paid within 30 days of the invoice date.

VAT will be applied where applicable.

NTIA does not offer refunds on Subscriptions under any circumstances.

7. Payment Terms

If payment of the Subscription or other invoices is outstanding for more than 90 days, NTIA reserves the right to suspend Member access to services and benefits.

Payments may be made by BACS transfer to the following account:

Bank Name:	The Night Time Industries Alliance
Company Address:	Grove House, 2 Woodberry Grove, London N12 0DR
Sort Code:	50-30-20
Account Number:	34579516

(For cheque payments or alternative arrangements, contact the NTIA directly.)

8. Additional Charges

Any additional services provided by NTIA beyond the standard membership benefits, including consultancy, events, or bespoke support, may be subject to additional fees.

Where NTIA engages third-party suppliers on behalf of the Member or provides access to third-party platforms, training, or services, the Member agrees that:

These may incur separate charges; and

VAT will be applied to such services, regardless of the charitable subscription status of the Member.

9. General

NTIA reserves the right to amend, update, or introduce new terms at its discretion, with reasonable notice to Members.

These Terms are governed by the laws of England and Wales, and any disputes shall be subject to the exclusive jurisdiction of the English courts.
